WORK EXPERIENCE

Flutter App Development, FINAL YEAR PROJECT FAST NUCES

09/2021 - 07/2022

Making my Final Year Project (FYP: We Partners) in Flutter that helps me to expand the knowledge of development of mobile applications and build my interest in App Development.

Overview:

- We are creating a platform that allows groups of friends, housemates, colleagues, and family members to organize a division of the costs of digital multi-account services. You can manage everything from a single platform that renders payments automatic. A platform which allows you to subscribe to an on-demand video or music streaming service such as Netflix, Spotify, Amazon Music or digital services such as the Office 365 package, workspaces such as Dropbox and many other services, saving a good percentage on the cost.
